GRANDIFLORA PATENT ROSES

"The NEW GRANDIFLORA CLASS consists of varieties relatively tall in growth, free flowering, often with many flowers in clusters but with individual stems long enough for cutting. The flower size, though not necessarily as large as hybrid teas, is larger than the average Floribunda, with Hybrid Teas standard for bud and flower form."

GRANDIFLORA PATENT VARIETIES

Suggested
RETAIL PRICE

BUCCANEER. A brilliant unfading yellow rose. A tall growing plant which makes a lovely background for a rose garden. Cut all the flowers you want and not rob the bush of wood.	PAT. 1119	\$2.75
CARROUSEL. This very fine red rose will not blue or mildew in cold or heat, a great abundance of flowers with long stems. Its dark red velvety petals fairly glow in the sunshine. Magnificent as a background or hedge.	PAT. 1066	2.00
ROUNDALAY. Cluster of long and strong stems. Dark red bud opening to a brighter red. Has the lasting qualities of its parents Floradora and Charlotte Armstrong's form.	PAT. 1280	3.00

POLYANTHAS AND FLORIBUNDAS PATENT ROSES

RED SHADES:

EMBERS. Looks like the burning glow of a red hot coal, blooms age to a darker color. Vivid long lasting flowers.	PAT. 1178	2.25
RED CAP. A Blazing new bright scarlet, floribunda, gradually darkening to rich velvety crimson, extremely vigorous.	P. A. F.	2.50
RED PINOCCHIO. A velvety deep red, considered by some even better than Pinocchio.	PAT. 812	1.50
WORLD'S FAIR. The official rose of the New York World's Fair; blackest scarlet; continuous bloomer.	AARS PAT. 362	1.50
VALENTINE. Cluster-Flowered Floribunda, bushy and compact, flowers that hold their color well, just right size for 2 ft. border or hedge.	PAT. 1029	1.75

PINK SHADES:

CHINA DOLL. One of our most wanted roses for low growing sports in the garden; those clusters of rise-pink blooms creates a happy greeting to a visitor of your garden.	PAT. 678	2.00
FASHION. Glowing peach. Its habit of growth is bushy, medium sized foliage have the finest qualities of a good Floribunda.	AARS. PAT. 789	2.00
FROLIC. A very bright pink, free bloomer. A true Floribunda, displaying her bright pink buds and flowers.	PAT. 1179	2.25
KATHY FISCUS. Clusters of delightful lovely dawn pink flowers on a vigorous bush and glossy leafed floribunda, ideal for borders.	PAT. 967	1.50
LILIBET. Exquisite in its delicate, almost fragile appearance of light coloring, melting into a sort of dawn pink. Mildew resistant. Desirable for either single or hede plantings.	AARS PAT. 1209	2.00
MA PERKINS. This very free blooming, flori, with its sweetly pungent fragrance, ophelia shaped buds, has a suffusion of yellow present in all the early stages of bloom, with aging comes a soft coral shell pink, strong compact plant.	AARS PAT. 1143	2.00
PINOCCHIO. Exertemely hardy, very easy to grow, always in bloom with hundreds of flowers on every bush.	PAT. 484	1.50
VOGUE. Unique, flushed with salmon, opening slowly from very dark ovid buds to an open flower, spicy fragrance, excellent for cutting.	AARS PAT. 926	2.00
PINKIE. Low growing with perfect little buds and flowers of delicate pink.	AARS PAT. 712	1.75

YELLOW SHADES:

GOLDILOCKS. A rare and beautiful golden yellow, floribunda, producing large clusters of slightly fragrant roses.	PAT. 672	1.50
--	----------	------

WHITE SHADES:
